

SIGN UP FOR NOTIFICATIONS ON MOBILE

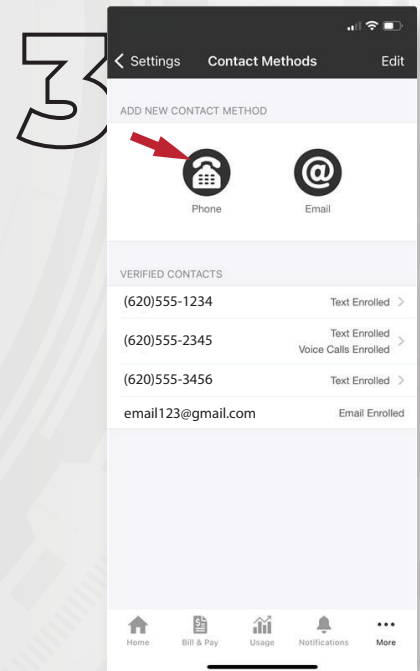

Log in to your SmartHub account.

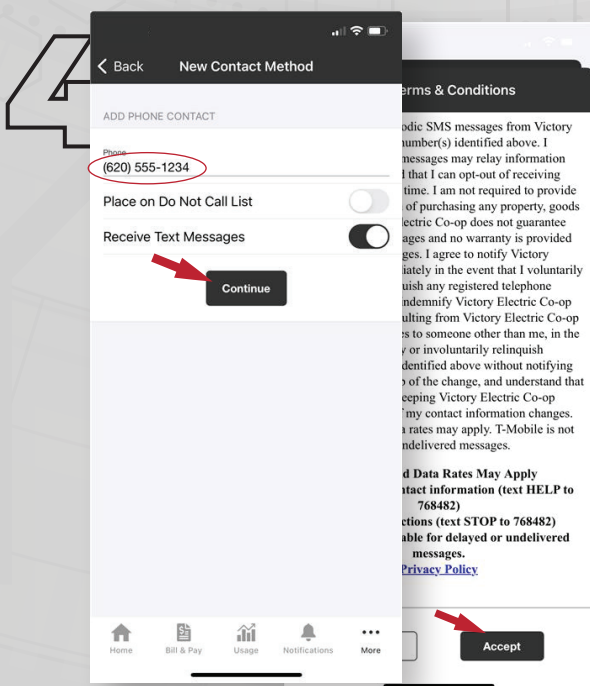

Click on the **Settings** tab and select the **Contact Methods** option.

You can add or remove any phone number(s) or email address(es) and you can have several contacts listed.

Click **Add Phone**.

You also have the option to edit preferences on current numbers and email addresses.

Fill in the **Phone** field, toggle **ON** the **Receive Text Message** button and press **Continue**.

After receiving your verification code via text, type code in the **Verification Code** field. Click **Verify**.
