Log in to your account on the SmartHub app then press More.

Г

Click the Settings tab, go to Manage Notifications.

Choose from Billing, Miscellaneous, On Demand, Service, or Usage. Each one has a dropdown menu allowing you to choose what number or email you would like to use.

Select Service and press on the Power Outage section. Update your information, add or remove as needed.

- You may also sign up for other 111
- notifications (i.e. billing, daily 6
- usage, payment confirmation, member updates, etc.) on the
- Z Manage Notifications page.
